

COMPANY PROFILE

PT Cahaya Sejati Teknologi

Innovate. Create. Empower.

Teknologi Informasi & Solusi Digital

About the Company

Teknologi Informasi & Solusi Digital

PT Cahaya Sejati Teknologi is a leading provider of information technology and digital solutions, dedicated to empowering businesses through innovation and creativity. Established in 2016, the company has grown from a small team of five software engineers in Bandung to a trusted technology solutions provider with over 120 employees and offices in three major cities. Specializing in custom software development, cloud infrastructure management, and digital transformation consulting, PT Cahaya Sejati Teknologi is committed to delivering reliable and innovative outcomes for its clients.

Vision & Mission

"Menjadi mitra transformasi digital paling dipercaya bagi perusahaan menengah dan besar di Asia Tenggara pada tahun 2030."

— Vision — PT Cahaya Sejati Teknologi

Menghadirkan solusi teknologi yang andal, aman, dan mudah diadopsi; membangun talenta digital lokal berkelas dunia; serta menciptakan dampak nyata bagi efisiensi operasional klien kami.

Products & Services

Pengembangan perangkat lunak kustom (web & mobile), migrasi dan manajemen infrastruktur cloud (AWS/GCP/Azure), konsultasi transformasi digital, integrasi sistem ERP/CRM, serta layanan keamanan siber dan audit sistem.

Custom Software Development

We offer bespoke web and mobile software development services tailored to meet the unique needs of our clients.

Cloud Infrastructure Management

Our expertise in AWS, GCP, and Azure ensures seamless cloud migration and management, optimizing your infrastructure for performance and cost-efficiency.

Digital Transformation Consulting

We provide strategic guidance to help businesses navigate their digital transformation journey effectively and efficiently.

ERP/CRM System Integration

Our team specializes in integrating ERP and CRM systems to streamline operations and enhance business processes.

Cybersecurity and System Audit Services

We offer comprehensive cybersecurity services and system audits to protect your business from digital threats.

Our Competitive Advantages

- Combines startup agility with enterprise-level security and governance
- Enables faster product launches without compromising system reliability
- Trusted partner for digital transformation in Southeast Asia

Industries & Customers Served
